Strategic Plan for Strengthening Health Systems - WPRO

Human resource planning is a process that identifies current and future human resources needs for an organization to achieve its goals. Human resource planning should serve as a link between human resource management and the overall strategic plan of an organization.

Strategic human resource planning - Wikipedia

Strategic planning is a process in which organizational leaders determine their vision for the future as well as identify their goals and objectives for the organization. The process also includes establishing the sequence in which those goals should fall so that the organization is enabled to reach its stated vision.

May 2015 1 - af.mil

For some people, the term strategic planning brings to mind a disciplined and thoughtful process that links the values, mission, and goals of a school system with a set of coherent strategies and tasks designed to achieve those goals. For others, the term induces a cringe brought about by memories of endless meetings, fact-free debates, three-ring binders, and dozens of objectives, tasks ...
